

# Membership Updates for 2026

As we ring in 2026, we're excited to let you know about some updates to our membership program:

Updates to membership perks:

- **NEW!** ALL group class memberships will receive 1 guest pass per month! Bring a friend for free every month, on us 😊
  - How to use a guest pass? Book yourself into the class you want to bring your friend to *twice*, and we'll transfer the second reservation over to your friend when they come to class!
- **NEW!** Free entry to our community yoga classes, held monthly
- Free entry to our practice labs
- 20% off additional group classes
- Unused classes rollover to the next month (not forever, just the next month)

**NEW!** membership options:

- We are excited to announce that private lesson memberships are officially available in 4 and 8 private per month options!  
Who are these memberships for? We designed them for people looking for:
  - Weekly one-on-one instruction to prepare for competition, performances, and more
  - Personal training sessions designed to help you increase your strength & flexibility to meet your dancing goals (yes, we have a certified personal trainer in-house!)
  - Weekly date nights with your special someone that are tailored to you and the dance styles you love

*And a special perk, just for private lesson members: Get 50% off all group class purchases for you & 1 partner!! (discount available in person only)*

General membership updates:

- All memberships are moving to a 4 week billing cycle. Now you never have to worry about keeping track of which months have a 5th Tuesday, for example, and your favorite weekly class will always be paid for!
- All membership changes, including upgrades, downgrades, and cancellations will only be processed by us if you have notified us in writing at our email [hello@whitemountaintandancestudio.com](mailto:hello@whitemountaintandancestudio.com). You can still manage your membership yourself from your online account 😊
- All VIP memberships are retired and no longer available for purchase; however, if you are currently on a VIP membership, it will stay active until you change or cancel your membership

- As a reminder, all memberships are a 2 month minimum commitment, including any time you start a new membership, such as with an upgrade or downgrade

Thank you for being part of our studio membership, and we can't wait to see you in 2026!
