## Hair, Makeup & Costumes

- For all performances, please follow these guidelines:
  - **Hair in a high bun**, with all loose hair pulled back (no bangs, etc.)
  - **Natural looking makeup** that enhances your dancer’s features (think mascara and eyebrow color for light eyebrows. More makeup is welcome, but not necessary)
  - **NO JEWELRY** except for small earrings
  - **Clear or light pink nail polish ONLY, and no fake nails** for dancers’ safety!
  - **Tights & Shoes For Ballet:** SKIN TONE COLOR TIGHTS & SHOES from our [Shop Nimble dress code site](#) (please order more if necessary & if you don’t know your dancer’s shoe size, please have us size them first! It is not the same as their street shoe size)
  - **Tights & Shoes For Jazz/Pom:** SKIN TONE COLOR TIGHTS & BLACK SOCKS (since most dancers are in ballet, **we will not be providing tights**. Please order them from our [Shop Nimble dress code site](#) if your dancer does not have the correct tights or needs a new pair). **We will provide socks for the June show** that will be appropriate for the stage floor 😊
  - **Tights & Shoes For Tap:** SKIN TONE COLOR TIGHTS & BLACK TAP SHOES from our [Shop Nimble dress code site](#) (please order more if necessary & if you don’t know your dancer’s shoe size, please have us size them first! It is not the same as their street shoe size)

- **Costumes for all classes** will be passed out before our May 9th performance. Please hang your dancer's costume, fluff tutus out as needed, and steam them if necessary to release any wrinkles. Additionally, please do not let your dancer eat in their costume until after our June performance! 😬
- **Under the costume:** underwear is not meant to be worn under costumes. Their tights serve as underwear with a built-in liner. If your dancer must wear underwear, it needs to be high leg, bikini style so that none of it shows beneath the legs of the costume. And absolutely NO patterns or colors as these will often show through the costume. If your dancer would like to wear something under their costume, please purchase a nude leotard from the "Performance Essentials" category of our [Shop Nimble dress code site](#)
